

Negotiations Update – February 14, 2012

The negotiation team has declared impasse in its negotiations with the district. Impasse means that both sides are hopelessly deadlocked. We feel that at the current time we can not reach a fair and equitable agreement with the Board of Education.

Once impasse is declared both parties must agree on a mediator who will meet with us and the Board of Education to assist in the proceedings so that a fair contract settlement can be reached.

A mediator, Jay Siegel has been jointly selected. Mr. Siegel will meet both sides on March 7 to try and find a common ground in which to continue negotiating.

The Executive Board will be updating the website as soon as we have any further news.
